# INSTRUCTIONS FOR COMPOSITE IOWA INDIVIDUAL INCOME TAX RETURN

### **ELECTION OF COMPOSITE FILING**

Composite returns for the 2000 calendar year must be filed by April 30, 2001. An automatic six-month extension for filing is available **only** if 90% of the tax due is paid by the origional due date. The department must be notified in writing before a taxpayer chooses not to file composite returns.

#### FILING REQUIREMENTS

Nonresident partners, shareholders, members, or beneficiaries shall not be included in a composite return if the nonresident does not have more income from Iowa sources than the amount of one standard deduction for a single taxpayer plus an amount of income necessary to create a tax liability at the effective tax rate on the composite return sufficient to offset one personal exemption. See minimum filing requirements below under line 6.

#### LINE INSTRUCTIONS

1. Each nonresident partner's, shareholder's, or member's Iowa K-1 will show that partner's, shareholder's, or member's income and nonresident modifications that are apportioned to Iowa. The apportioned amount of each item of Iowa K-1 income that is a part of Federal adjusted gross income and the apportioned modifications of all nonresident partners, all nonresident shareholders, and/or all members included in this composite return are to be totaled and entered on this line. Non residents with other Iowa source incomes are not to be included on the IA 1040 C.

Beneficiaries of a trust do not have an Iowa K-1, only a Federal K-1. Consequently, when nonresident beneficiaries are included in the filing of a composite return with Iowa, they must total all income and/or capital gains from real property or tangible personal property located in Iowa and any other business income attributable to Iowa and enter on this line.

2. A deduction is allowed in lieu of the deduction for Federal tax paid and is based upon the following schedule:

## AMOUNT SHOWN ON LINE 1 DEDUCTION

0 - \$49,999 = No deduction \$50,000 - \$99,999 = 5% of line 1 \$100,000 - \$199,999 = 10% of line 1 Over \$200,000 = 15% of line 1

- 3. For 2000 the standard deduction allowed is the lesser of \$1,470 or the income attributable to Iowa of the partner, shareholder, or member filing via this composite return.
- 6. Use the tax rate schedule below to figure your tax on composite Iowa taxable income. Also listed are the minimum requirements for each tax rate.
